

# TRAILHEAD "SIDELANE"

(words & music by Tobias Panwitz)

G a b C G

## Verse 1

G a  
Sidelane again  
b C G  
This feels like a dead end  
a  
But it's just another bend  
b C G  
Bringing me around again

## chorus 1

b a a/G  
And I'm losing it I think  
D/F# G  
I'm not in control no more  
b a a/G  
Where I will be tonight  
D/F# G G/E  
And what I am in this for  
e C G  
Out again on the sidlane  
e C G  
Stuck again on the sidlane

## Verse 2

Send me a thought  
Mail it by air on a breeze  
I'm sure it gets to me  
Cause everything is still around here

## chorus 2

Just like back in spring  
When I felt the sun shine from your hand  
And I wish I'd miss you less  
And love you more than I can  
Out again on the side lane  
Stuck again on the sidlane

## Middle

A C e  
Pick a way for me  
C C/B A  
North west or south, I don't care  
C e  
East sounds good to me  
C D a  
You said I'd find you there

Solo a a/G D/F# G

## chorus 3

And the further down I go, the more I hope to find  
But the only thing so far, I'm leaving further behind  
Out again on the side lane, stuck again on the sidlane  
Man I'm feeling lame on the sidlane, stuck again on the sidlane
