

TRAILHEAD "SPEED OF SOUND"

(words & music by Tobias Panwitz)

A E e b d A

Verse 1

A E e
Summer's in the air the world is dying to be born
b d
It's resurrected by the sun, something you could have done
A
With a smile alone
A E e
With birds and bumble bees I should be running round the trees
b d
But it's no fun there on my own, I'll wait till you get home
A
We'll vanish on a breeze

f# D

Chorus

E b D
Oh I can see us there, as light as air
A E
With nothing left to pull us down
b D
And I'll catch you off guard and steal your heart
A e D e
Come chase me at the speed of sound

Verse 2

Tell me how I can
Get across to where you stand
And reconnect there with your hand
With nothing to defend
And send all doubts to hell
