Verse 2

I'd take her down to
Where disguises are blown away by a breeze
And words don't make sense there
We tell stories by taking in what we feel

D'you really think she cares to feel free
This I don't know
She's from a different reality
Maybe that's so
We'll never know, will we
Cause Julia's keeping an eye on her soul
Constantly in control

Solo ||: C C/A a a/G e Gmaj7 :||

D'you really think she cares to feel free
