

Road to Salamanca

words & music: Tobias Panwitz

Chasing moments and sacred places
When we don't have a word to say
I'm headed north towards another day of solitude
The twinkle of an eye along the way

Dust and boots of leather
Two birds of one feather

Spring just kissed the earth awake
I've got all the time there is to take
From the town of Villafranca
On the road to Salamanca
I think I'll walk a while with you
I think I'll walk a while with you

I left Sevilla about a week ago today
Because the women there are deadly to the eye
You lose yourself within the black eyes of an andalusian girl
And never get away alive

Love and changing weather
Two birds of one feather

Spring just kissed the earth awake
Bringing all the love there is to make
From the town of Villafranca
On the road to Salamanca
I think I'll walk a while with you
I think I'll walk a while with you
